

Index

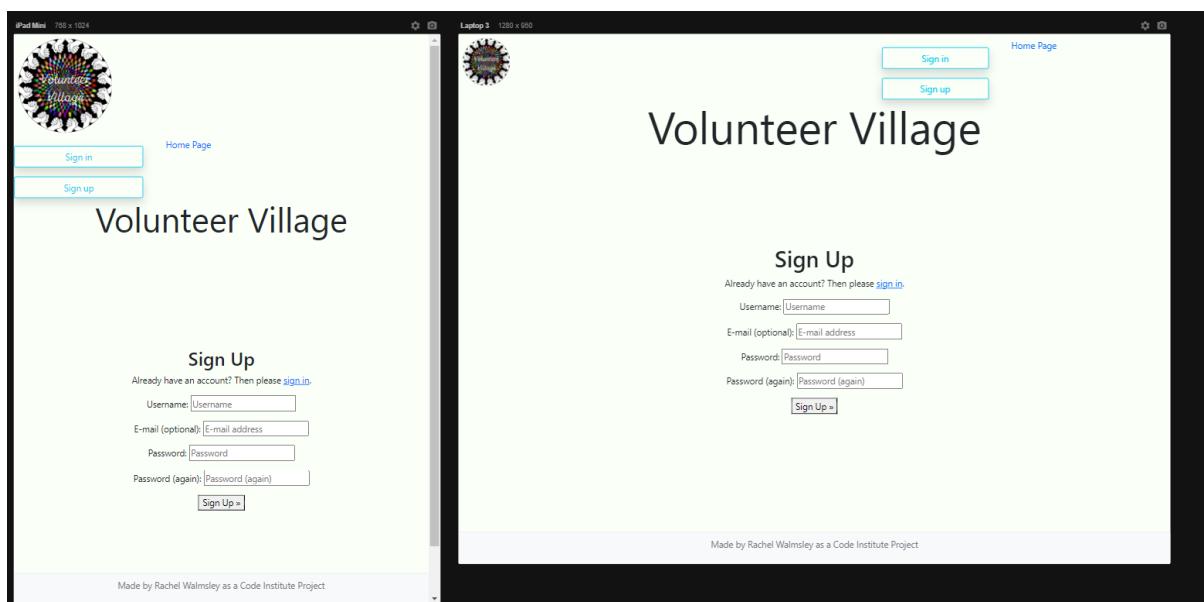

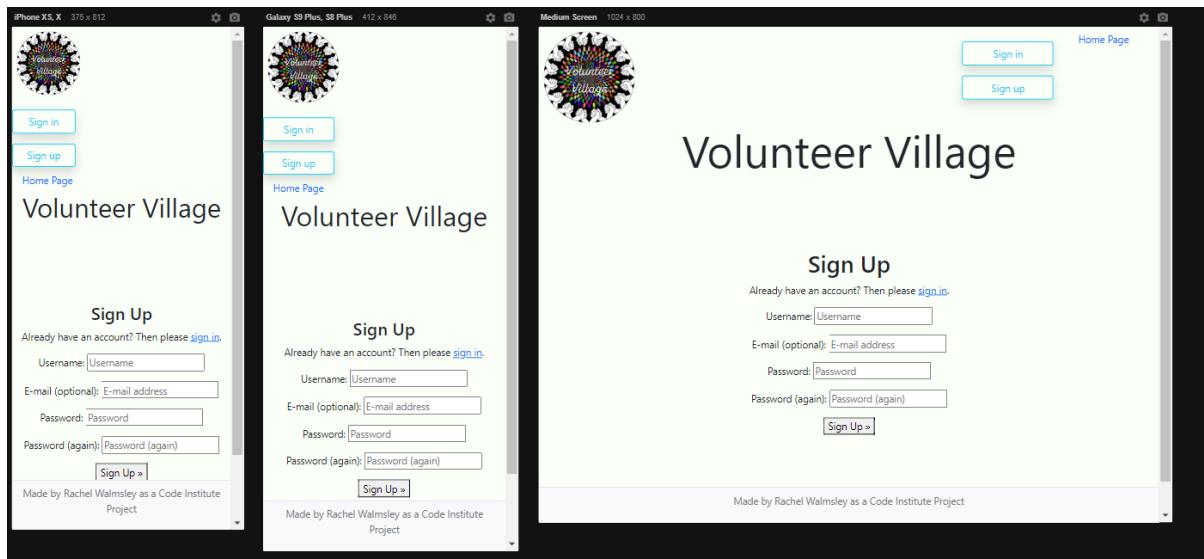

Sign in

The image displays four screenshots of the 'Volunteer Village' sign-in page, each showing a different device's perspective:

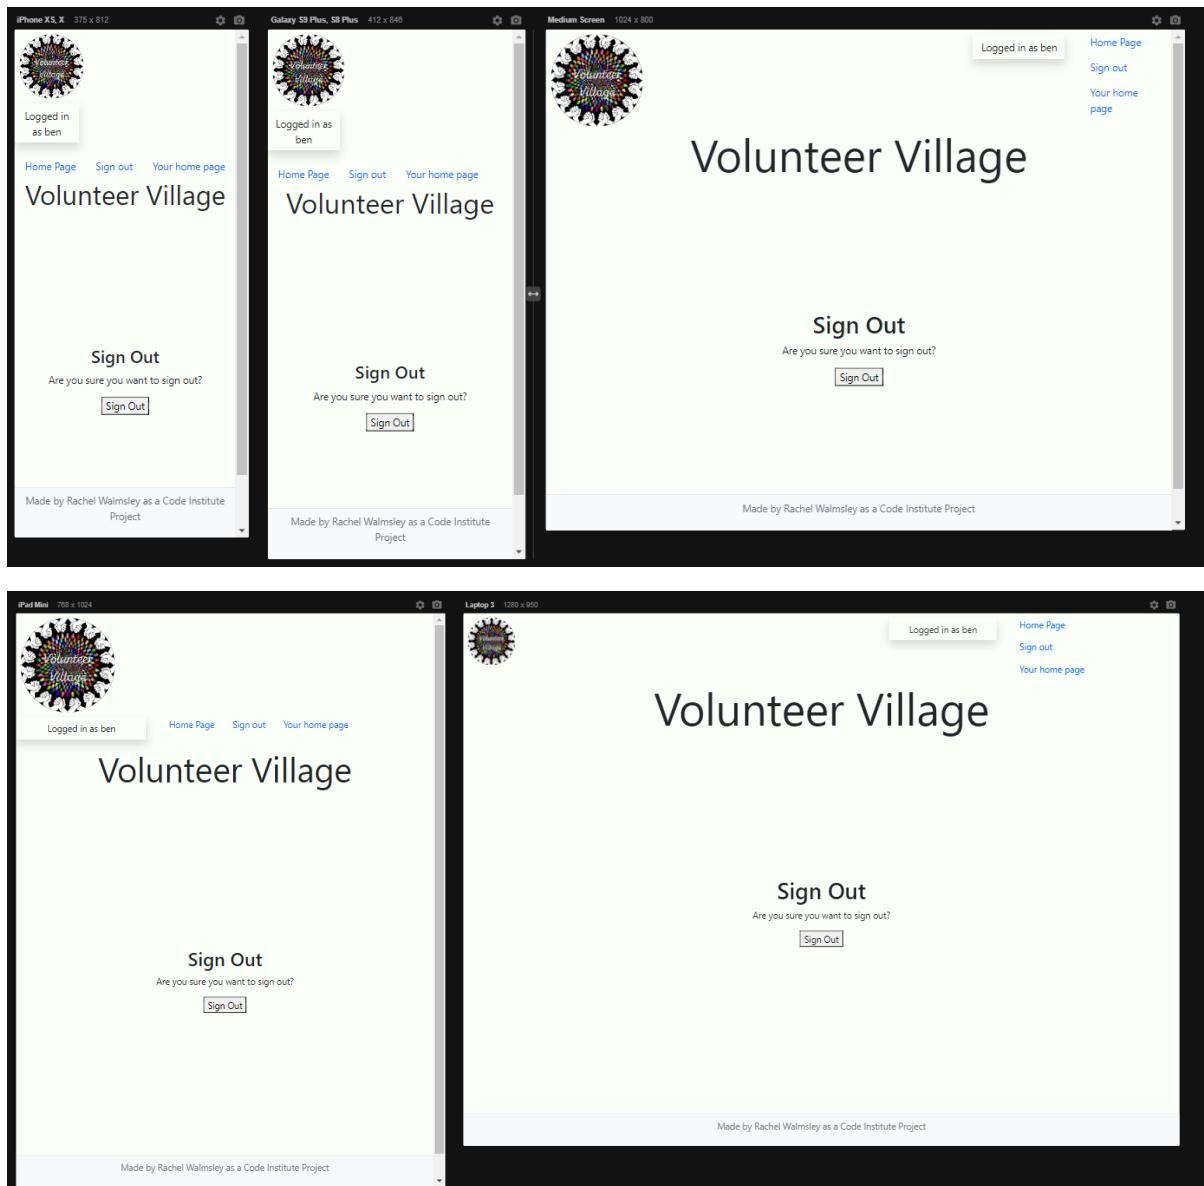

- iPhone XS, X**: 375 x 812 pixels. Shows a dark-themed sign-in form with 'Sign in' and 'Sign up' buttons.
- Galaxy S9 Plus, S8 Plus**: 412 x 840 pixels. Shows a light-themed sign-in form with 'Sign in' and 'Sign up' buttons.
- Medium Screen**: 1024 x 800 pixels. Shows a light-themed sign-in form with 'Sign in' and 'Sign up' buttons. The 'Sign In' button is larger and highlighted.
- iPad Mini**: 768 x 1024 pixels. Shows a light-themed sign-in form with 'Sign in' and 'Sign up' buttons.

All screens feature a logo at the top left with the text 'Volunteer Village' and a colorful circular graphic. The sign-in form includes fields for 'Username' and 'Password', a 'Remember Me' checkbox, and a 'Sign In' button. Below the form is a note: "If you have not created an account yet, then please [sign up](#) first." A copyright notice at the bottom states: "Made by Rachel Walmsley as a Code Institute Project".

CHARITY

Add charity

The screenshots show the 'Add a Charity to the database' form. The 'Charity Name' field is required (max length 50 characters). The 'Charity Description' field is optional. A dropdown menu for 'Coordinators associated with charity' lists four names: Annabella Anderson, Charlotte Cunningham, Barbara Bruement, and Elise Enthorpe. A note at the bottom states 'Made by Rachel Walmsley as a Code Institute Project'.

The screenshots show the same 'Add a Charity to the database' form. The 'Charity Name' field is required (max length 50 characters). The 'Charity Description' field is optional. A dropdown menu for 'Coordinators associated with charity' lists the same four names. A 'Submit' button is visible at the bottom left. A note at the bottom states 'Made by Rachel Walmsley as a Code Institute Project'.

Choose charity

The screenshots show the 'Choose charity' page for a user logged in as 'barbara'. The interface includes a search bar, a list of charities found ('You searched for am'), and a note about capitalization. The 'Amnesty' entry is highlighted with a red border.

iPhone XS, X 375 x 812: Shows the mobile version of the page with a similar layout to the desktop version.

Galaxy S9 Plus, S9 Plus 412 x 846: Shows the mobile version of the page with a similar layout to the desktop version.

Medium Screen 1024 x 890: Shows the desktop version of the page with a larger display area. It includes a navigation bar with 'Home Page', 'Sign out', and 'Your home page' links.

iPad Mini 768 x 1024: Shows the mobile version of the page with a similar layout to the desktop version.

Laptop 1280 x 850: Shows the desktop version of the page with a larger display area. It includes a navigation bar with 'Home Page', 'Sign out', and 'Your home page' links.

Update charity

The screenshots show the 'Update charity' page with the following details:

- iPhone XS, X - 375 x 812:** Shows a charity entry for "Amnesty" with the description "Getting people in prisons a fair go at life".
- Galaxy S9 Plus, S9 Plus - 412 x 846:** Shows the same charity entry.
- Medium Screen - 1024 x 800:** Shows the charity entry with a note: "No changes made will take effect or be saved until submit is pressed". It includes a "Charity Name" input field (Amnesty), a "Charity Description" input field (Getting people in prisons a fair go at life), and a "Coordinators associated with charity" dropdown menu containing "Annabella Anderson", "Charlotte Cunningham", "Barbara Brument", and "Elise Enthorpe".

The screenshots show the "Volunteer Village" website with the following content:

- iPad Mini - 750 x 1024:** Shows a search bar with "charity name" and a "Search Charity" button. Below it, a message says "You searched for am" followed by a list of results: "Amnesty" with options to "Look at charity information", "Update charity information", and "Delete charity information".
- Laptop 3 - 1280 x 800:** Shows a search bar with "charity name" and a "Search Charity" button. Below it, a message says "This search did not find any charities".

COORDINATOR

Activate volunteer

The screenshots show the 'Activate volunteers' form across four devices:

- iPhone XS, X**: 375 x 812. Shows a user profile icon and navigation links: Home Page, Sign out, Your home page.
- Galaxy S3 Plus, S8 Plus**: 412 x 846. Shows a user profile icon and navigation links: Home Page, Sign out, Your home page.
- Medium Screen**: 1024 x 800. Shows a user profile icon and navigation links: Home Page, Sign out, Your home page. The main content area displays the 'Activate volunteers' form with fields for First name (Vera), Last name (Good), Phone number (01234567890), Skills (Driving), Description of skills, Length of time available (4 Hours), and Length of time available (7 Days). It also shows Availability section and day available (Friday afternoon, Wednesday morning, Monday morning, Wednesday afternoon, Saturday afternoon, Saturday morning, Sunday afternoon, Sunday morning, Tuesday afternoon, Tuesday morning). An 'Activated' checkbox is present, and a 'Submit' button is at the bottom.
- iPad Mini**: 768 x 1024. Shows a user profile icon and navigation links: Home Page, Sign out, Your home page. The main content area displays the 'Activate volunteers' form with the same fields and availability options as the Medium Screen version. A 'Submit' button is at the bottom.

Made by Rachel Walmsley as a Code Institute Project is visible at the bottom of each screen.

Activate volunteers

The screenshots show the 'Activate volunteers' page for a user logged in as 'barbara'. The page lists four volunteers with their names and a 'See profile and activate' button.

iPhone XS, X (375 x 812): Shows the mobile version of the page with the same layout and data.

Galaxy S9 Plus, S8 Plus (412 x 848): Shows the mobile version of the page with the same layout and data.

Medium Screen (1024 x 800): Shows the desktop version of the page. It includes a navigation bar with 'Home Page', 'Sign out', and 'Your home page' links, and a user info box showing 'Logged in as barbara'.

iPad Mini (768 x 1024): Shows the tablet version of the page. It includes a navigation bar with 'Home Page', 'Sign out', and 'Your home page' links, and a user info box showing 'Logged in as barbara'.

Laptop 3 (1280 x 860): Shows the desktop version of the page. It includes a navigation bar with 'Home Page', 'Sign out', and 'Your home page' links, and a user info box showing 'Logged in as barbara'.

Add profile

The image displays four screenshots of the "Volunteer Village" website, showing the "Create a profile" form across different devices: iPhone XS/X, Galaxy S9 Plus/S9+, Medium Screen, and iPad Mini.

iPhone XS, X - 375 x 812: Shows a mobile view with a navigation bar at the top and a "Create a profile" form below. The form includes fields for First Name and Last Name, both marked as required and with a maximum length of 50 characters. A "Submit" button is present. The footer notes "Made by Rachel Walmsley as a Code Institute Project".

Galaxy S9 Plus, S9 Plus - 412 x 848: Shows a similar mobile view to the iPhone, with the same "Create a profile" form and footer information.

Medium Screen - 1024 x 800: Shows a desktop view with a navigation bar at the top right. The "Create a profile" form is identical to the mobile versions. The footer notes "Made by Rachel Walmsley as a Code Institute Project".

iPad Mini - 788 x 1024: Shows a tablet view with a navigation bar at the top. The "Create a profile" form is identical to the mobile versions. The footer notes "Made by Rachel Walmsley as a Code Institute Project".

Choose profile

The screenshots show the 'Choose profile' page for a user named Barbara. The interface includes a navigation bar with 'Home Page', 'Sign out', and 'Your home page'. A sidebar on the right shows links for 'Home Page', 'Sign out', and 'Your home page'. The main content area displays a search form for coordinators, showing results for 'Annabella Anderson' with options to 'Update name / activate', 'See profile', or 'Delete coordinator information'.

Dashboard

The screenshots show the Coordinator Dashboard for the Volunteer Village application across four different devices:

- iPhone XS/X (375 x 812):** Shows a summary of volunteer and coordinator profiles awaiting activation. It lists 4 volunteers and 2 coordinators, both named Charlotte and Elise.
- Galaxy S9 Plus/S8 Plus (412 x 846):** Similar to the iPhone version, showing 4 volunteers and 2 coordinators.
- Medium Screen (1024 x 800):** A larger view of the dashboard with more detailed statistics. It shows 4 volunteers awaiting activation and 2 coordinator profiles awaiting activation. The names listed are Charlotte and Elise.
- iPad Mini (768 x 1024):** Another device view of the dashboard, identical to the others in layout and data.

The dashboard includes navigation links like "Home Page", "Sign out", and "Your home page". It also features buttons for "Search for a volunteer", "Add Charity profile", "Activate volunteers", "View/Update/Delete Charity profile", and "Search for Coordinator profiles". A footer note states "Made by Rachel Walmsley as a Code Institute Project".

Pending

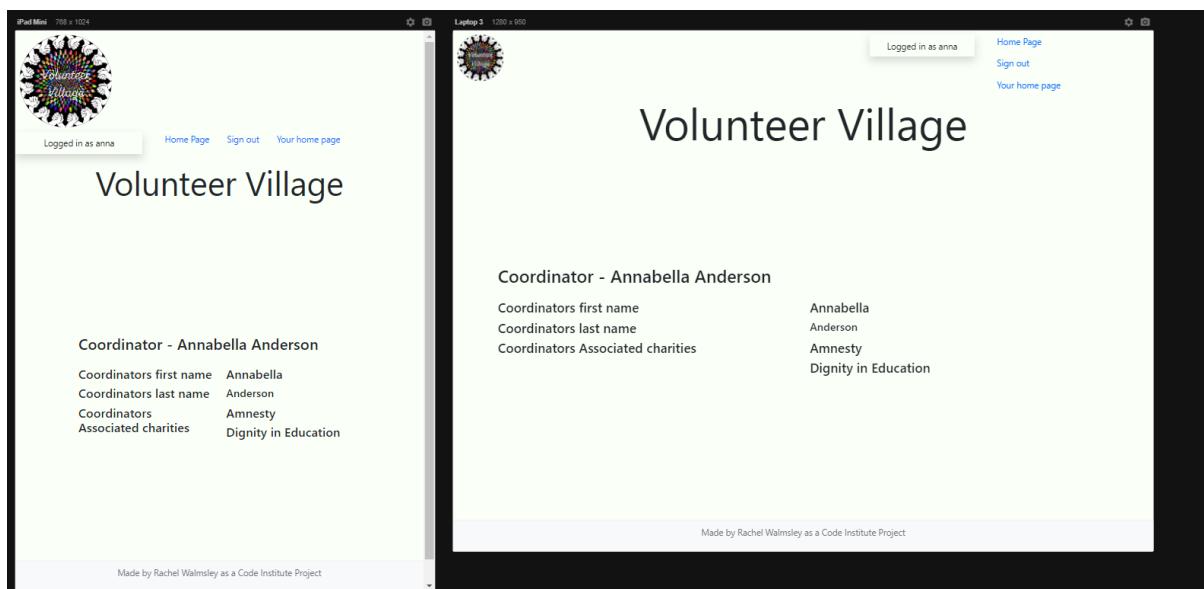

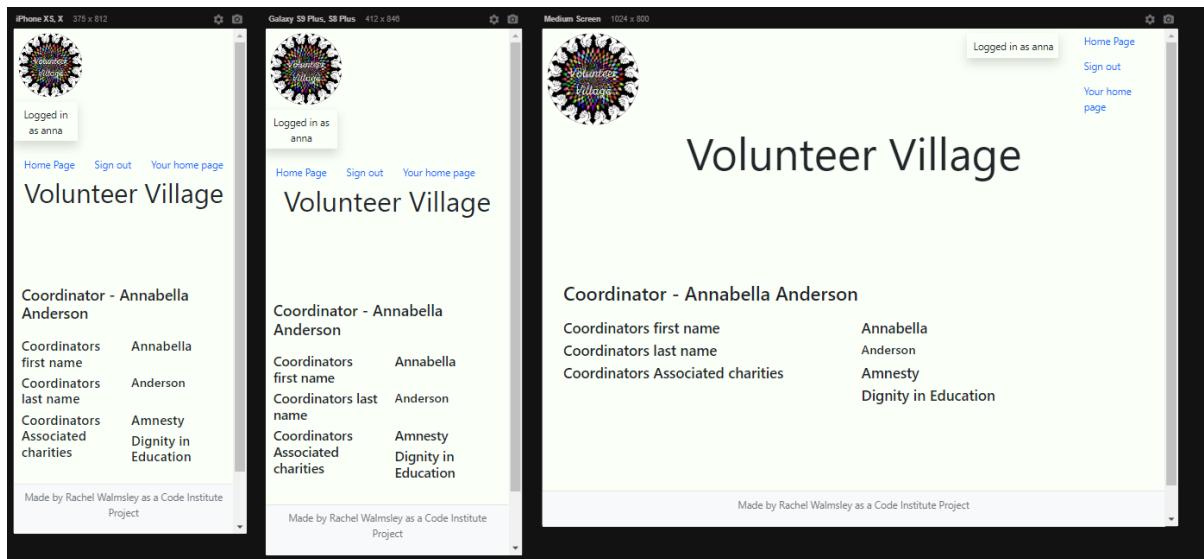

Search volunteers

The screenshots show the 'Volunteer Village' website interface across four different devices:

- iPhone XS, X (375 x 812):** Shows a search form for volunteers to complete tasks. It includes dropdowns for 'Volunteering activity' (Administration Tasks), 'Day of the week' (Monday), and 'Time of day' (Morning). A 'Search Volunteers' button is highlighted in blue.
- Galaxy S9 Plus, S9+ (412 x 846):** Similar to the iPhone version, showing the search form with the same dropdowns and highlighted 'Search Volunteers' button.
- Medium Screen (1024 x 800):** Shows the main search results page. The title 'Volunteer Village' is at the top, followed by a search bar. Below it, a message says 'You searched for a volunteer to do Administration Tasks on Monday morning'. A card for 'Andrew Atherton' is displayed, showing his details: First name (Andrew), Last name (Atherton), Phone number (02345678910), and E-mail (optional). He also has a description of skills ('I love doing computer work'), length of time available ('3 Hours'), and length of time available ('1 Days').
- iPad Mini (750 x 1024):** Shows the search form and the results for Andrew Atherton, identical to the Medium Screen view.

See profile

Update profile

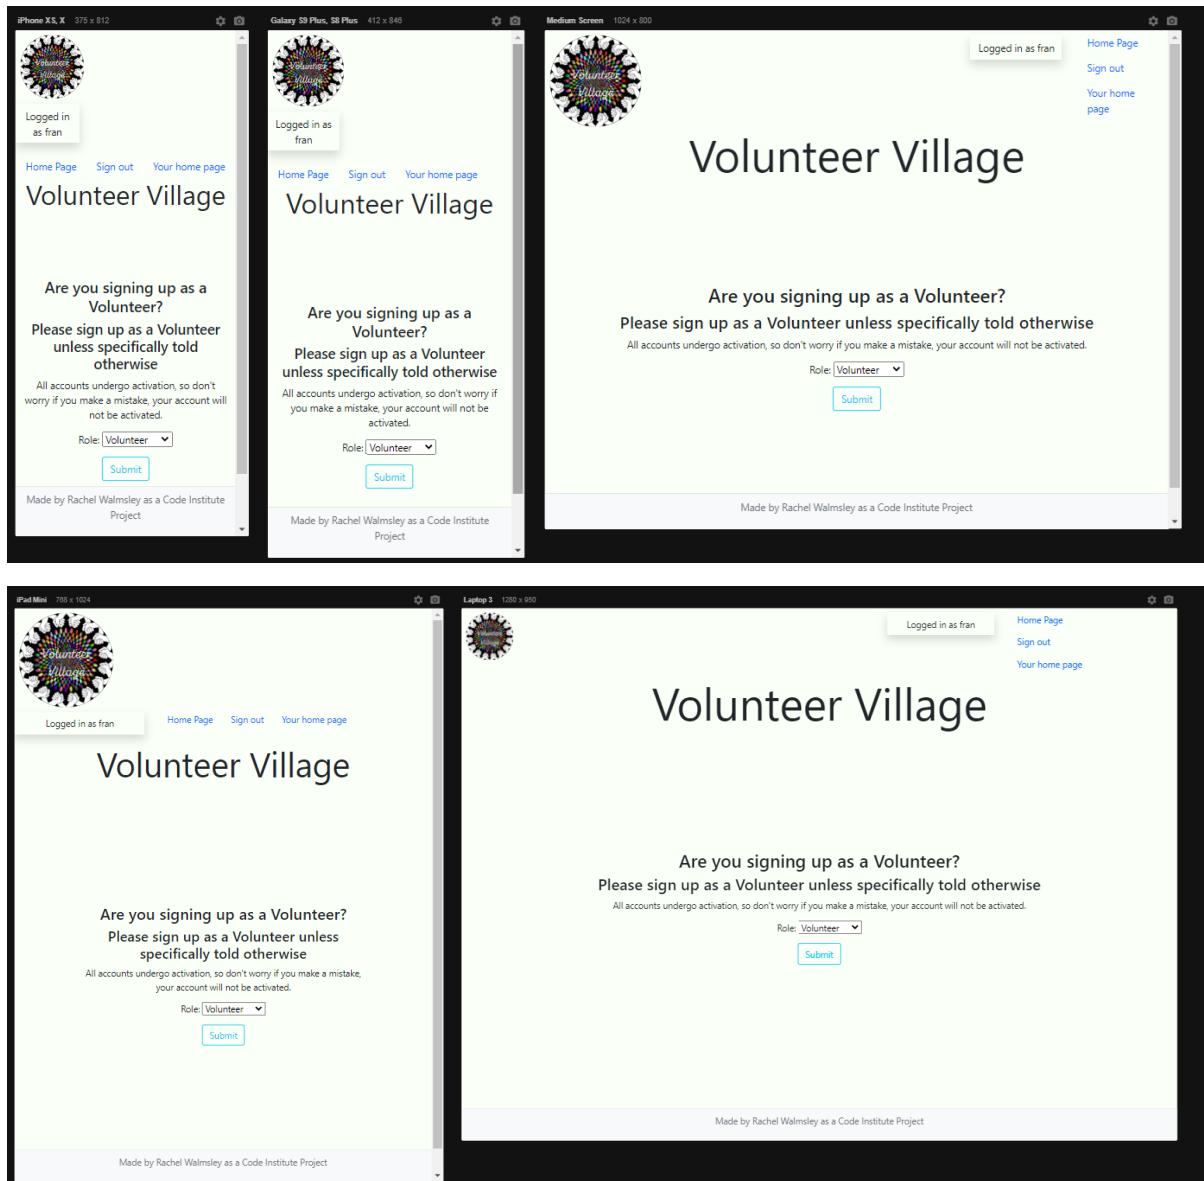

The image displays four screenshots of the "Volunteer Village" website, illustrating its responsive design across different devices:

- iPhone XS, X (375 x 812):** Shows a mobile view of the profile update form. The header includes "Logged in as anna". The main content is titled "Update a coordinator profile" with fields for First Name (Barbara), Last Name (Bruement), and Activated (checkbox checked). A blue "Update" button is at the bottom.
- Galaxy S8 Plus, S8 Plus (412 x 840):** Shows a similar mobile view to the iPhone, with the same profile update form and header.
- Medium Screen (1024 x 800):** Shows a desktop view of the profile update form. The header includes "Logged in as anna" and navigation links: "Home Page", "Sign out", and "Your home page". The main content is titled "Update a coordinator profile" with the same fields as the mobile versions.
- iPad Mini (758 x 1024) and Laptop 3 (1280 x 960):** Shows a desktop view of the profile update form. The iPad Mini view is on the left, and the Laptop 3 view is on the right. Both include the header with "Logged in as anna" and the "Volunteer Village" logo. The main content is titled "Update a coordinator profile" with the same fields as the mobile versions.

In all views, the footer consistently displays the text "Made by Rachel Walmsley as a Code Institute Project".

ROLE

Role

VOLUNTEER

Add profile

The 'Create your profile' form is displayed on three different devices:

- iPhone XS, X**: 375 x 812 pixels. Shows basic input fields for First Name, Last Name, Phone, and Activity options (Administration Tasks, Companionship, DIY, Driving). A note says "Made by Rachel Walmsley as a Code Institute Project".
- Galaxy S9 Plus, S9 Plus**: 412 x 846 pixels. Similar to the iPhone version, with a note "Made by Rachel Walmsley as a Code Institute Project".
- Medium Screen**: 1024 x 800 pixels. Shows a more detailed view of the form, including a note "To select multiple activities hold control and click". It also includes a sidebar with links: Home Page, Sign out, and Your home page.

The 'Create your profile' form is displayed on two different devices:

- iPad Mini**: 768 x 1024 pixels. Shows the same basic input fields and activity selection as the other devices.
- Laptop 3**: 1280 x 960 pixels. Shows a more detailed view of the form, including a note "Provide us with information about your skills here". It also includes a sidebar with links: Home Page, Sign out, and Your home page.

Edit profile

The screenshots show the 'Edit profile' page across four different mobile devices:

- iPhone XS, X (375 x 812):** Shows a user profile picture and the text "Logged in as ben". Below it is the "Volunteer Village" logo and navigation links: Home Page, Sign out, Your home page, Home page, and Edit profile.
- Galaxy S9 Plus, S9 Plus (412 x 840):** Similar to the iPhone screen, showing the user profile picture and "Logged in as ben".
- Medium Screen (1024 x 800):** Shows a user profile picture and the text "Logged in as ben". Below it is the "Volunteer Village" logo and navigation links: Home Page, Sign out, Your home page, Home page, and Edit profile. The "Edit profile" section contains fields for First Name (Ben), Last Name (Burrington), Phone (08642135678), and Activity options (Driving). A note says "To select multiple activities hold control and click".
- Laptop (1280 x 960):** Shows a user profile picture and the text "Logged in as ben". Below it is the "Volunteer Village" logo and navigation links: Home Page, Sign out, Your home page, Home page, and Edit profile. The "Edit profile" section contains fields for First Name (Ben), Last Name (Burrington), Phone (08642135678), and Activity options (Driving). A note says "To select multiple activities hold control and click".

The screenshots show the 'Edit profile' page across two different mobile devices:

- iPad Mini (768 x 1024):** Shows a user profile picture and the text "Logged in as ben". Below it is the "Volunteer Village" logo and navigation links: Home Page, Sign out, Your home page, Home page, and Edit profile. The "Edit profile" section contains fields for First Name (Ben), Last Name (Burrington), Phone (08642135678), and Activity options (Driving). A note says "To select multiple activities hold control and click".
- Laptop (1280 x 960):** Shows a user profile picture and the text "Logged in as ben". Below it is the "Volunteer Village" logo and navigation links: Home Page, Sign out, Your home page, Home page, and Edit profile. The "Edit profile" section contains fields for First Name (Ben), Last Name (Burrington), Phone (08642135678), and Activity options (Driving). A note says "To select multiple activities hold control and click". The "Activity options" dropdown shows "Love to gossip" selected.

Read profile

The screenshots show the 'Your profile - ben' page across four devices:

- iPhone XS, X 375 x 812:** Shows a basic profile view with fields for First Name (Ben), Last Name (Burrington), Phone number (08642135678), Email (ben@ben.com), Set up profile (Jan. 24, 2024, 2:20 p.m.), and Skills (Companionship). It also lists Special Skills (Love to gossip) and Availability (2 hours).
- Galaxy S9 Plus, S9 Plus 412 x 846:** Similar to the iPhone view, but includes a placeholder for a profile picture.
- Medium Screen 1024 x 800:** Shows a more detailed profile view with additional fields: First Name (Ben), Last Name (Burrington), Phone number (08642135678), Email (ben@ben.com), Set up profile (Jan. 24, 2024, 2:20 p.m.), Skills (Companionship), Special Skills description (Love to gossip), Availability - time in hours (2), and Availability - time in days (1).
- iPad Mini 768 x 1024:** Shows the same detailed profile view as the Medium Screen, including the availability section and a note about availability by day.

In all views, there are 'Edit profile' and 'Delete all profile information' buttons at the bottom left, and a note at the bottom right stating "Made by Rachel Walmsley as a Code Institute Project".
